

REMARKS

By way of the foregoing amendments, Claims 4 and 6-8 have been amended to delete the multiple dependencies and new Claims 9-20 have been added which correspond to some of the previously recited multiple dependencies. No new matter has been introduced by these changes.

A replacement version of Fig. 7 is also presented to add reference numeral "106" so that the drawing figure is consistent with the written description.

It is requested that the application be examined on the basis of the claims as amended.

Early and favorable consideration of this application is respectfully requested.

Should any questions arise in connection with this application, the undersigned respectfully requests that he be contacted at the number indicated below.

Respectfully submitted,
